Call for Audit Committee Candidates Volunteer Position

Parker Water & Sanitation District Residents,

The Parker Water & Sanitation District has an open volunteer position on our audit committee. This position is a replacement for a member who has served since 2013. We are looking for an individual with an accounting, finance, business, mathematics, or statistics background. The ideal candidate will work with the management team and auditors twice per year to review financial statements, audit and finance related RFP's, and other considerations regarding the District's financial policies. Other tasks that are encouraged are to tour the District's field facilities and attend 1 public board meeting per year. This will further assist the candidate in learning the District's operations.

The candidate must reside within the District. This is an excellent opportunity to serve your community while at the same time working with an organization that values your contributions.

Interested candidates should submit: 1) a letter of interest, and 2) your resume to districtjobs@pwsd.org

Thank you,

Parker Water & Sanitation District
